Section C: Comprehension (5 x 2 marks)

Read the following passage carefully. Then choose the correct answer and write its number (1, 2 or 3) in the brackets.

Monkey lives in the forest with his animal friends. During his free time, Monkey loves to perform stunts in the trees to show off his skills.	1
One day, as Monkey was doing a somersault, he slipped and fell from the trees. "Ouch! That hurts!" cried Monkey as he wrapped his hands round his knee tightly. Just then, he looked up and saw his two squirrel friends whispering to each other.	5
"They must be laughing at me," thought Monkey. Then he saw Rabbit and Deer speaking behind the bushes. "They must be saying that I am a show-off," said Monkey. As Monkey hobbled around the forest, he noticed more of his animal friends talking behind his back and behaving strangely.	10
Unable to bear it any longer, Monkey shouted, "Why are all of you saying bad things about me? I thought we were friends!" His animal friends were shocked. "We were not saying bad things about you," said Rabbit.	15
Together, the animals led Monkey to a spot under a tree. Rabbit pulled away a large leaf and said, "These are for you." Monkey burst into tears. He was surprised to see a huge pile of all his favourite fruit.	
"We know you can't move around freely, so we prepared these for you," Rabbit said.	20
