Do you know that long ago, the cat and the rat lived together happily on an island? Indeed, they were good friends.

Let's move to another place. I'm bored here," suggested the rat.

"Sounds like a good idea," replied the cat.

Together, they made a little boat. The cat fell asleep so the rat was rowing the boat all by itself. The rat became hungry. Searching everywhere on the boat, the rat realised that there was nothing on board to eat. It was so hungry that it started to nibble the side of the boat. Soon, there was a hole in the boat. Water began to seep in and the boat began to sink.
